

# SAFiRE™

OE-I Online Submission Application

**CHROME is the recommended Web Browser**

For SAFiRE™ application assistance, please send an email to [support@pavconllc.com](mailto:support@pavconllc.com).

## PLEASE TAKE NOTE!

- This file addresses functional application items, not content; please contact OE-I Portfolio and Tranche Leads to discuss content-related inquiries
- FY27 reference materials located at [www.oecif.org](http://www.oecif.org)
- Four Intake Paths:
  - **Government Consultation** (for government personnel only) – Have a concept but not sure if it's applicable? You can submit your concept for OE-I consideration.
  - **Industry Market Analysis** (for industry personnel only) – Have a concept but not sure if it's applicable? You can submit your concept for OE-I consideration.
  - **Government Proposal Submission** (for government personnel only) – Ready to submit a full proposal for our open call? You can submit your proposal for OE-I review. Note: Submissions may be uploaded by OE-I to OMNI.
  - **Targeted request for proposals** – By invitation only.
- Chrome is the recommended web browser

For SAFiRE™ application assistance, please send an email to [support@pavconllc.com](mailto:support@pavconllc.com).

# CLASSIFIED SUBMISSIONS!

- For CLASSIFIED Submissions, do NOT enter any classified information into SAFiRE™
- Enter the word “CLASSIFIED” for any question you cannot answer (if a value is required, enter 0 (zero))
- Directly contact the OE-I Point of Contact you worked with to cultivate the project to coordinate submission via SPIR

For SAFiRE™ application assistance, please send an email to [support@pavconllc.com](mailto:support@pavconllc.com).

# ACCESSING SAFiRE™ (Creating a SAFiRE™ Account)

1

\* Once you have a SAFiRE™ account, email us at [support@pavconllc.com](mailto:support@pavconllc.com) to let us know which of the four intake paths you would like to access.

# Logging into SAFiRE™ (Accessing SAFiRE Forms)

2

\* Contact [support@pavconllc.com](mailto:support@pavconllc.com) if does not appear.

# ACCESSING SAFiRE™ (after creating a SAFiRE™ Account)

**SAFiRE** FY27 Submissions  
Call for Proposals v3.6.0

Home > **Assignments**

**OE-I Government Consultation**

**Project**

1. What is your name? **required**

100 Characters Limit

2. What is your email address? **required**

@

3. What is your phone number? **required**

4. What is your organization? **required**

Select an option

5. Title for this submission (Give this entry a name you'll recognize later) **required**

Please provide a title for your submission

100 Characters Limit

6. Nickname for this submission (a shortened version of the above) **required**

Please provide a shortened proposal nickname for your submission.

- Complete all questions (text entry or pulldown selections)
- Take note of character limits (shown after each applicable question)
- Take note of required format types (noted after each applicable question)
- All REQUIRED questions must be completed to submit

## FOR SURGE PROJECTS!

- When asked for FY28 and FY29 inputs, enter “N/A” (as noted after each required question)

## FOR MULTI-YEAR PROJECTS!

- Enter information for FY27, FY28 and FY29

CON'T

SAFiRE FY26 Submissions  
Call for Proposals v3.1.0

### Transition

26. Do you understand and commit to executing the Transition maturity framework (TMaF) should you be awarded OE-I project funding?

Yes  No

27. Technology Transition Readiness Self-Assessment required

[Please refer to the TAMF \(Appendix 3\) for guidance.](#)

TRANSITION READINESS CRITERIA	ENTRANCE LEVEL (1-9)	TARGET EXIT LEVEL (1-9)
TRANSITION CONFIDENCE LEVEL (TCL)	Enter value	Enter value
TECHNOLOGY READINESS LEVEL (TRL)	Enter value	Enter value
MANUFACTURING READINESS LEVEL (MRL)	Enter value	Enter value
REQUIREMENTS READINESS LEVEL (RRL)	Enter value	Enter value

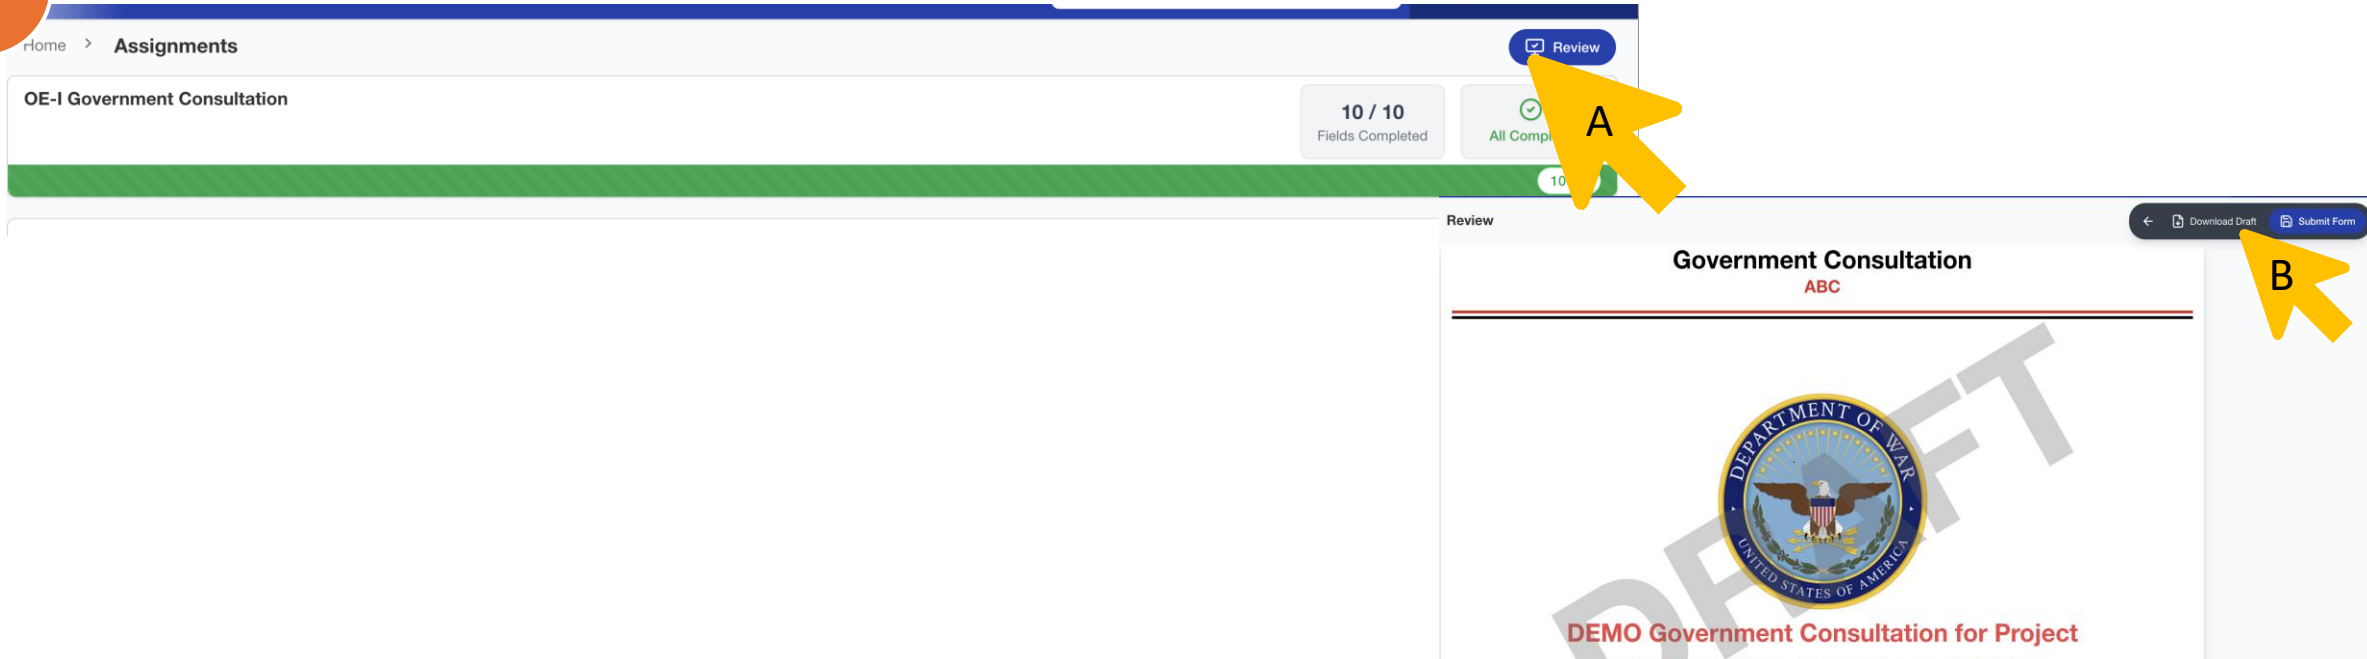

28. Apart from the steps you selected above, provide transition plan narrative how they will progress on the steps they selected (limited to 200 characters per RL); explain steps, risks, who they will meet with, etc. Touch on all FOUR (as applicable) and explain why ones not selected apply (or not).

800 Characters Limit

• If the requested information does not apply, enter “N/A” or 0 (zero) for cells requiring numerical figures

# SAFiRE™ SUBMISSION STEPS

5

- Click REVIEW (A) to view and/or download a draft submission and/or when ready to start the submission process
- To download, click Download (B); files will download to your local destination and will have a DRAFT watermark on the file (see right images)

**Information is auto-saved.**

**Users can exit and reenter the application up until final submission.**

**GP Worksheet: Questions in Order of Online Submission (\* indicates a REQUIRED Q/A)**

Section	Question	Answer Type and Pulldown Options (for applicable type)	
PROJECT	What is your name?*	Enter text	
PROJECT	What is your email address?*	Enter text	
PROJECT	What is your phone number?*	Enter text	
PROJECT	What is your organization?*	Select from pulldown menu:  Army Navy Air Force USMC Space Force Coast Guard AFRICOM CENTCOM EUCOM INDOPACOM N&NC SOUTHCOM SOCOM TRANSCOM Combatant Command Defense Advanced Research Projects Agency Other DoW Office of the Secretary of War	
PROJECT	Are you submitting an OECIF or OEPP proposal? *	Select from pulldown menu:  - OECIF - OEPP	
PROJECT	Project Title*	Enter text (limited to 100 characters)	
PROJECT	Project Nickname*	Enter text (limited to 15 characters)	
PROJECT	Is the proposed project focused on operational energy?*	Yes/NO	If No, can't continue
PROJECT	Does the proposed project have joint service engagement? *	YES/NO	
	IF NO - How will the project evolve and help more than one service?		
	If YES - Table Service/CCMD, Organization,Email,Phone		
PROJECT	Is the proposed project applicable for 6.4 funding?*	Yes/NO	If No, can't continue

PROJECT	Is there an intent to add or is the project planned in the POM with an SEO/CCMD/PEO/PAE? *	YES/NO Followed by: YES - Enter the name of the SEO/CCMD/PEO/PAE contact. and the point of contact
PROJECT	Provide an explanation of the planned WF engagement/commitment.	Enter Text (limited to 3000 characters)
PROJECT	Complete this prompt: The state of the art is...	Enter Text (limited to 3000 characters)
PROJECT	Complete this prompt: The current capability is...	Enter Text (limited to 3000 characters)
PROJECT	Complete this prompt: At the end of this project, we...	Enter Text (limited to 3000 characters)
Statement of Work		
1.0 Project Overview	Please provide a high-level, 'elevator pitch' description of your idea that explains the concept in a way such that anyone can understand it in a paragraph.	Enter Text (limited to 1000 characters)
1.0 Project Overview	If this proposal builds on previous OEPF or OECIF work, briefly describe what that work accomplished, and where this work takes over.	Enter Text (limited to 1000 characters)
2.0 Objective and Payoff of Proposed Project	What current problem does this project address?	Enter Text (limited to 1000 characters)
2.0 Objective and Payoff of Proposed Project	How will this project solve the above problem/why is it better than other solutions?	Enter Text (limited to 1000 characters)
2.0 Objective and Payoff of Proposed Project	Provide qualitative comparison to current solution (e.g., order of magnitude improvement)	Enter Text (limited to 1000 characters)
2.0 Objective and Payoff of Proposed Project	What new or increased capability will this provide to the warfighter?	Enter Text (limited to 1000 characters)
2.0 Objective and Payoff of Proposed Project	Provide an overview of what the project will accomplish through EWEV&DM activities.	Enter Text (limited to 1000 characters)

3.0 Strategy for Transition	<b>TMAF</b>	Table: TMAF, Initial Score, End Score
3.0 Strategy for Transition	<b>Provide an explanation or details regarding how the TCL rating was</b>	Enter Text (Limited to
3.1 Transition Partner and Decision Alignment	<b>Identify the primary transition partner (e.g., PEO/PM) and confirm their interest and active support for the proposed project.</b>	Enter Text (Limited to 500 characters)
3.1 Transition Partner and Decision Alignment	<b>Describe the specific decisions this project will inform (e.g., acquisition milestone, refresh, procurement, requirement validation).</b>	Enter Text (limited to 1000 characters)
3.1 Transition Partner and Decision Alignment	<b>Identify the M&amp;S, analysis, demonstration, and/or warfighter feedback that will support those decisions.</b>	Enter Text (limited to 1000 characters)
3.1 Transition Partner and Decision Alignment	<b>Explain the transition partner's stated intent or posture (e.g., signed Intent to POM letter, inclusion in market survey, linkage to tech refresh window).</b>	Enter Text (limited to 1000 characters)
3.1 Transition Partner and Decision Alignment	<b>Attach supporting documentation, if available.</b>	File Upload .pdf, .doc, .jpg, .jpeg, .xls,
3.2 Requirements Alignment	<b>Identify the validated requirement, capability gap, or mission need the project addresses.</b>	Enter Text (limited to 1000 characters)
3.2 Requirements Alignment	<b>List relevant Service-validated documents (e.g., ICD, CDD, CPD), engineering change proposals, or other formal vehicles (e.g., USAF Form 1067).</b>	Enter Text (limited to 1000 characters)
3.2 Requirements Alignment	<b>Identify the Requirements Validation Authority and/or end-user lead command associated with this need.</b>	Enter Text (limited to 1000 characters)

3.3 Demonstration/Test Design for Transi	<i>Describe what is being demonstrated, and how it maps to transition partner decisions.</i>	<i>Enter Text (limited to 1000 characters)</i>
3.3 Demonstration/Test Design for Transi	<i>Who will make that decision, and when?</i>	<i>Enter Text (limited to 1000 characters)</i>
3.3 Demonstration/Test Design for Transi	<i>What data or performance criteria are required to support that decision?</i>	<i>Enter Text (limited to 1000 characters)</i>
3.3 Demonstration/Test Design for Transi	<i>Have those decision-makers reviewed or agreed to assess the demo outcomes?</i>	YES/NO
3.3 Demonstration/Test Design for Transi	<i>Explain what data must be collected, how it will be measured, and how it aligns with acquisition or operational requirement thresholds.</i>	<i>Enter Text (limited to 1000 characters)</i>
3.3 Demonstration/Test Design for Transi	<i>Define the venue, operational scenario, and timeframe.</i>	<i>Enter Text (limited to 1000 characters)</i>
3.3 Demonstration/Test Design for Transi	<i>Identify operational users or units participating.</i>	<i>Enter Text (limited to 1000 characters)</i>
3.3 Demonstration/Test Design for Transi	<i>Confirm whether the transition partner and/or requirements authority has reviewed or approved the demo/test concept.</i>	YES/NO
3.4 Execution Responsibility and Resour	<i>Identify who is responsible for executing the test/demo (organization and POC if known).</i>	<i>Enter Text (Limited to 500 characters)</i>
3.4 Execution Responsibility and Resour	<i>Describe supporting roles (e.g., lab, integrator, program office, test center).</i>	<i>Enter Text (Limited to 500 characters)</i>
3.4 Execution Responsibility and Resour	<i>Indicate whether the test/demo is already funded, and by whom.</i>	<i>Enter Text (Limited to 100 characters)</i>

3.4 Execution Responsibility and Resources	Identify gaps, dependencies, or risks to successful execution, including funding shortfalls, scheduling conflicts, or test asset availability.	Enter Text (limited to 1000 characters)
3.4 Execution Responsibility and Resources	Include a risk rating (Low / Medium / High) with rationale.	Enter Text (Limited to 500 characters)
3.4 Execution Responsibility and Resources	If this demonstration is not funded by the transition partner or Service sponsor, explain why and assess the implications for transition risk.	Enter Text (Limited to 1000 characters)
4.0 Enterprise-Wide Energy Visibility and	EWEV&DM	Table: Area of Interest, Task, Estimated Cost
5.0 Technical Approach	Describe the technical approach to meet the program office requirements to advance the technology to transition.	Enter Text (Limited to 1000 characters)
6.0 Project Schedule	Project Schedule	Table: Phase, Summary of Tasks/Milestone/Deliverable, Start Dt, End Dt
7.0 Total OEPF Costs (\$): xxxxM	Total Proposed OEPF Costs	Table: Total Proposed OEPF Costs: Type of Fund(Direct Cite,Reimbursable, Cost Share, In Kind),FY27Project(\$),FY27EWEVDM(\$),FY28Project(\$),FY28EWEVDM(\$),FY29Project(\$),FY29EWEVDM(\$)

	<p><i>Provide a brief narrative explaining your intended contracting path should you be awarded an OE-I project, noting if you have an existing or planned contract vehicle or if you are exploring options. Include the estimated timeline for contract award/modification.</i></p>	<p><i>Enter Text (Limited to 500 characters)</i></p>
	<p><i>Are you willing to meet OMB and FMB benchmarks (please see below image for details)?</i></p>	<p>YES/NO</p>
<p>10.0 Warfighter Input and Demonstration</p>	<p><i>Do you need Warfighter input to support transition (exercise, demonstration, field tests, senior leader demonstrations, etc.?)</i></p>	<p><i>Enter Text (Limited to 1000 characters)</i></p>
<p>10.0 Warfighter Input and Demonstration</p>	<p><i>Do you already have a uniformed Warfighter assigned to your project?</i></p>	<p><i>YES/NO - If yes, provide WF contact information. If No, Do you need help identifying a uniformed Warfighter?</i></p>
<p>11.0 Interns and Students</p>	<p><i>Interns and students are required for every OEPP project. Describe how interns and students will contribute to the project, and list each person's school.</i></p>	<p><i>Enter Text (Limited to 1000 characters)</i></p>
<p>12.0 Testing</p>	<p><i>Do you need testing or certification to support transition? If so, what testing or certification, and is that included within this statement of work?</i></p>	<p><i>Enter Text (Limited to 1000 characters)</i></p>

13.0 Other Agency Coordination	<p>Are there any other agencies that need to be coordinated with to ensure transition (e.g. mission planning systems or Defense Logistics Agency to create a National Stock Number)?</p>	<p>Enter Text (Limited to 1000 characters)</p>
14.0 Industry Partners	<p>Please note if any of the industry partners are considered a start-up business.</p>	<p>YES/NO - If yes, specify</p>
14.0 Industry Partners	<p>Please note if any of the industry partners have received or are planning to receive Venture Capital investment.</p>	<p>YES/NO - If yes, specify</p>
15.0 Supplemental Documentati	<p>Please confirm acknowledgement that OEPF requires the following deliverables to be provided if project advances.</p>	<p>YES/NO</p> <p>--All Operational Energy Management System (OEMS) inputs (<a href="https://oecif.org">https://oecif.org</a>) to include regular financial, technical, programmatic, and transition updates.</p> <p>--Monthly financial reports (cumulative obligation/expenditure status) due to OUSW(A&amp;S) Financial POC-1 listed below NLT the 5th of every month.</p> <p>--Team participation and poster-board presentation at the DoW Applied Innovation Workshop (scheduled Dec annually) and Energy Sentry-Pentagon (scheduled Sep biennially) or another Warfighter specific event (annually).</p> <p>--Final detailed closeout documentation, including final reporting, acquisition strategy, transition plan, and other artifacts.</p>
15.0 Supplemental Documentati	<p>Upload support/endorsement path letter(s)</p>	<p>.jpg .doc .pdf</p>

15.0 Supplemental Documentatio	Please confirm understanding and agreement that the "Optional" QUAD chart being uploaded in the next step does not contain any proprietary or classified information.	YES/NO - If yes, upload quad prompt appears
15.0 Supplemental Documentatio	Upload QUAD chart	.doc .pdf
